BASANT PANCHMI CELEBRATION

Silence is golden but when it threatens your freedom its yellow. How lovely Yellow is! As we all know that the 'Shades of yellow stimulates our little ones with happiness, energy and optimism'.

Yellow is the colour of optimism, glory, sunshine, enlightenment and happiness. So, with an objective to reinforce the effects of yellow colour on such an occasion of Basant Panchmi, our Pre-Primary Wing celebrated "Yellow Day" on 30th Jan 2020. Our honourable Director Sir and Ma'am Principal presided over the function. Children were beautifully dressed in their favorite yellow dresses. Tiffins include custard, mangoes, apples, jalebi, dal ka halwa. The dear kids enjoyed the yellow meal. The motive of celebrating this day was to make the kids aware of the colour yellow, its significance and to develop the fine motor skills in the students. The students recited wonderful poems and many dance performances were held. All the kids were observed happy on this Yellow day.
