

SCHOOL ANNUAL FETE

14TH Nov. 2019

Children's Day in India is celebrated every year on 14th of November to increase the awareness of people towards the rights, care and education of children. India celebrates this day every year as a tribute to our first Prime Minister Jawaharlal Nehru fondly known as Chacha Nehru among children. We had organized school fete on this special day. Our School Annual Fete was a wonderful day filled with much laughter, fun and community spirit building activities. The numbers of stalls were set for the entertainment of the students. Some of these stalls had interesting games to test the child's intelligence, analytical skills and co-ordination as mystery game, light the candle, ring games and many more. We also included food stalls serving delectable food as Yummy Pizzas, Pasta, Ice Creams, Cold drinks, Burgers, Kachoris, Chowmein and many more. Different kinds of swings were installed for little kids and a number of fun activities and lucky draw game was organized for the students. They won many prizes. The School Management and teachers put in a lot of efforts in organizing the School Annual Fete. All worked with dedication to make this event a success.
